

BOARD POLICIES	SUPERVISION OF CONSTRUCTION (BP-6003) METRO TECHNOLOGY CENTERS	The on-line version of the policy is official. Therefore, all printed versions are unofficial copies.
-----------------------	--	--

1.0 POLICY:

The Board believes that continual monitoring of construction projects is necessary to ensure quality construction. Compliance with approved construction drawings and specifications, governing regulations, and quality of construction shall be assured through site inspection and other construction management techniques. The superintendent, or designee, will make periodic reports to the Board that the construction project is being performed in accordance with plans, specifications, and contracts.

2.0 CROSS REFERENCE: N/A
