1.0 POLICY:

Metro Technology Centers has the responsibility to instruct students in technical skills and to assist in the development of the student’s work ethic, including acceptable attendance patterns. A student must attend all scheduled classes to maximize his/her opportunity to develop employability skills. This policy establishes general guidelines for a District-wide attendance plan for all full-time and part-time regular students.

In a given school year, it is required that every full-time and part-time regular student attend a minimum of eighty-six percent (86%) of the total class hours for which the student is enrolled.

Accredited programs shall meet the attendance requirements established by the accrediting agency.

The superintendent shall develop procedures to implement this policy.
